RE: Master Plan Update – Draft Survey #2

Attached is the draft Survey #2 to gather public input on revising the three sub-areas in the Master Plan. Note that the on-line survey platform (SoGo Survey) doesn't translate well to a PDF format. The survey will appear better on-line, and the graphics will be much larger. However, to be financially prudent, we didn't spend the time creating a PDF that was more attractive. This draft will allow you to read the questions and formulate comments for the upcoming Planning Commission meeting.

I look forward to discussing this with you then.
